Current Status

Past sprint was 0.5.9

Focus has been building out news and updating codebase for more consistency experience across ugc.

Current Status

Quick metrics

- Over 230 users have requested invites and been approved
- Almost 200 posts
- Over 300 comments (doubled since last update)

Current Status

0.5.9 (12/14/2022)

- News is now a top level content item (searchable).
- You can 'Repost' news and posts.
- Edit & Delete posts are back in.
- Consistent liking, commenting, and sharing on content.

- Bug fix: Issue where some links could prevent new posts.
 - Some 3rd party sites could time out our scraper.

What's next

For 0.6.0 we'll be working on

- Boosting (tipping)
- Sending BLOK internally to NFT holders
- Updating the 'score' of a post to include all rewards given
